

Park Reservation Rules and Regulations

DO NOT MAIL THESE BACK!! THESE ARE YOURS!!

A permit is required for any event where it is reasonably anticipated that 40 or more persons will be in attendance. If your group is less than 40, you may pay the fee to secure the shelter.

1. Permits will be issued for events to be held from Memorial Day weekend through September 30. Permits will not be issued for events before or after these dates unless it is considered a "special event."
2. The permit secures the use of the shelter or gazebo only and does not give exclusive use of the park. Open picnic areas are not included in the reservation. No amenities or special arrangements are provided - regardless of the type of event. Wedding receptions are no longer allowed.
3. Your reservation will be cancelled if payment is not received by the due date on your application. Please call if you decide to cancel.
4. Reservations are made for specific times - the space is not yours until your reservation time begins, so please plan accordingly. This is especially important for wedding ceremonies in the Rose Garden. Do not plan on entering the park early.
5. All reservations are final after the permit has been issued - so please be sure of your date and time. If you make changes to your reservation requiring that a new permit to be issued, you will be charged an additional \$25 fee.
6. Most parks are equipped with 110 volts electrical outlets; 220 volts are not available in the park system. Multiple electrical items may cause overloads on the power source.
7. Due to past damage, tents are no longer allowed. Stand-alone canopies are allowed in all parks except for Enger or the Rose Garden. A \$100 damage deposit will be required.
8. Fires may only be started in proper receptacles, such as, grills or existing fireplaces. Ground fires are not allowed at any time. Private grill coals must be disposed of properly.
9. The contact person is responsible for the safe conduct of all those attending the event and for clean up, including decorations and other items brought into the park. All trash must be disposed of properly.
10. Motorized vehicles must remain in the parking lot and not be driven on any off-road areas, such as park pathways, grass, fields, etc.; dogs must be leashed at all times and are not allowed on playground areas.
11. A key is available to allow for delivery vehicle entry into Lincoln Park, Lester Park, Park Point, or Chambers Grove. A \$20 deposit is required. Vehicles cannot remain in the park and the post or gate must remain locked during your event.
12. **Buildings** - alcohol consumption is restricted to within the building; **Parks** - alcohol consumption is restricted to within 50 feet of the existing shelter or designated area if a shelter does not exist.
